

## NAP Tax Credits Benefit CADV/VOC and its Donors

We are very pleased to announce, CADV/VOC has been awarded \$152,296 in 70% Missouri State Tax Credits through the Missouri Department of Economic Development's Neighborhood Assistance Program (NAP) in support of our Counseling Program. These tax credits are an excellent incentive for business owners who owe Missouri State tax and would like to donate \$1,000 or more (in cash, stocks or bonds) to the CADV/VOC Counseling Program. This donation makes you eligible for a 70% tax credit off of your Missouri State Tax return.

### How it works...

If you qualify, NAP allows you to use the tax money you would have paid out to the Federal and State governments and give that money directly towards your community and the families in desperate need of help at CADV/VOC.
